ATR VERDICT: A slick jumper and dour stayer, Ballabriggs is one of the most popular chasers in training at present, having landed an emotional victory in last year's Grand National for Donald McCain. The 11-year-old's season has been geared around a successful defence of his Aintree crown, however, and after his trainer stated last week his charge would strip fitter for the run, the percentage call is to oppose him in a race he was turned over in at odds on last season. The quirky Master Of The Hall failed to complete on his latest start at Sandown and the vote goes to ACCORDING TO PETE at his expense. Malcolm Jefferson's charge has taken his form to a new level this term, backing up his Rowland Meyrick success by landing the Grade 2 Peter Marsh Chase at Haydock when last sighted. Although he may ideally prefer a bit of cut in the ground, the selection's class could see him through.

Top Tip: ACCORDING TO PETE
Watch out for: BALLABRIGGS
