**ATR VERDICT:** Inside Track should continue to go well providing the application of a visor doesn't have a negative effect, but slight preference is for EIGHT HOURS. Richard Fahey's charge certainly wasn't stopping when scoring over 6f here last time and may prove up to defying a 5lb rise in the handicap. Set Back is another with claims after landing a claimer at this venue last week.

**Top Tip:** EIGHT HOURS

**Watch out for:** INSIDE TRACK
