ATR VERDICT: All eyes will be on the Supreme Novices' Hurdle winner AL FEROF as he makes his debut over the bigger obstacles. Paul Nicholls' six-year-old has proved a top performer in bumpers and over timber and a similar career beckons in this discipline. The danger looks to be Lancetto, who is stepping up in class but has won both his starts to date over fences. Bellvano, a winner at Punchestown, and Toubab, second here last month, look useful recruits to the chasing game and also could take a hand in the finish.

Top Tip: AL FEROF
Watch out for: LANCETTO
