Jockey Colours: Black, yellow chevrons, checked sleeves, quartered cap **Timeform says:** *Took well to hurdling with a couple of wins last summer. Well held on Flat return 13 days ago but that should have blown a few cobwebs away and remains with potential in this sphere.* ★★★☆☆ (Forecast 8.50)					Notes:

Jockey Colours: Yellow, dark blue disc, yellow and emerald green diabolo on sleeves, emerald green cap, yellow diamond **Timeform says:** *Long time without a win but step back in right direction in first-time cheekpieces when third in Ludlow handicap last month. TIMEFORM VIEW: JABOTICABA made a fairly encouraging start in handicaps when third at Kempton last month and might be capable of building on that with his yard going well. Peruvian Bleu will be a threat if he can translate his Ludlow form to this venue, while Bertimont fared a bit better last time and his stable is in excellent form.
