ATR VERDICT: SOPHOSC has improved since beginning life in nursery company and registered a deserved success at Chelmsford when benefiting from the step up to a mile. Fast ground is ideal for the son of Society Rock, and he can defy a 10lb hike. Rollicking was another to appreciate a rise in trip when getting off the mark at Windsor, accounting for New Queen, but the latter could feasibly reverse the form on more favourable terms.

Top Tip: SOPHOSC (4)
Watch out for: NEW QUEEN (3)
