ATR VERDICT:

BRINDISI BREEZE has been a key factor in Lucinda Russell's hot run of form in recent months and turned in a most impressive performance when making all of the running to score at Newcastle last time. Dominating this stronger field will not be quite as easy but he looks a useful prospect and should give it his best shot. Thehilllofuisneach has been rapidly improving in handicaps of late and also merits consideration along with Harry Topper and Real Milan, who were impressive winners over shorter when last sighted and are unexposed around 3m.
