**ATR VERDICT:** Nubar Boy gained a long overdue success in 'Round Six' of this series last week and remains competitively handicapped off a 3lb higher rating. Clifford Reprieve is another that doesn't know how to run a bad race. Defeated by just a short-head over the minimum trip here last time, he may improve for the step up to this longer trip, but preferred ahead of both is C&D winner JOE LE TAXI. The selection has been taken (unsuccessfully) to the US, Ireland and Southwell in his quest for a fifth career success in the last twelve months. However, having won off 72 at his peak, it remains only a matter of time until he scoots up off a rating of just 63.

**Top Tip:** JOE LE TAXI

**Watch out for:** NUBAR BOY
