ATR VERDICT: CRUNCHED performed creditably when third over the extended 2m at Wolverhampton last time as he would have finished closed had he not met with trouble in running. Tim Pitt's charge could improve for the fitting of first-time blinkers and gets the verdict now dropped in trip. Belle Josephine and Bert The Alert are both worth a market check now making their handicap debuts on the back of last-time-out successes over this trip in maiden company and merit consideration along with Follow The Flag, who ran as well as could have been expected over an inadequate trip latest. Beau Fighter returns to the level on fair mark and cannot be discounted either.

Top Tip: CRUNCHED

Watch out for: FOLLOW THE FLAG
