**ATR VERDICT:** BRIXEN makes the long trek up north from from Barry Brennan's Lambourn stable and could reap the rewards. She has emerged with plenty of credit in two starts over fences thus far and this represents a drop in class. Alora Money won a maiden hurdle race at this venue in October '09 and there is every chance that she will strip fitter for her comeback run at Market Rasen last month. First-time blinkers could help her bounce back to form, while Classical Mist is worthy of consideration tackling fences for the first time.

**Top Tip:** BRIXEN

**Watch out for:** ALORA MONEY
