ATR VERDICT: Cats Eyes was always in command when opening her account at Kempton and doesn't look too badly treated for her handicap debut, while Code Six was an all-the-way winner here in November and she might have a little in hand of the handicapper if she improves. Gin Twist has a 3lb rise to contend with for her win at Kempton latest, so preference is for AL FREEJ, who opened his account in fine style here earlier in the month and Roger Varian's charge may have more to come.

Top Tip: AL FREEJ

Watch out for: CODE SIX
