ATR VERDICT: Hawk Moth took advantage of a falling mark to score here last time though whether he'll be as effective off a 3lb higher rating here is open to question. July Days is up 4lb for her recent C&D success but she may have to give best to DUNMORE BOY. Richard Fahey's runner missed out by just a short-head over a furlong shorter here last time and the return to this longer trip could help.

Top Tip: DUNMORE BOY
Watch out for: JULY DAYS
