<p>ATR VERDICT: Aikman failed to build upon two promising chase outings when disappointing in handicap company at Newcastle last time but is capable of making his presence felt here if rejuvenated by a three month break. Preference, however, is for QUENTIN COLLONGES, who was returning from a lengthy absence when an encouraging second at Leicester latest and is expected to relish the return to this flat track. The Cockney Mackem, a staying on second over 2m3f latest, is also respected now up in trip.</p> <p>Top Tip: QUENTIN COLLONGES Watch out for: AIKMAN</p>
