**ATR VERDICT:** African Broadway takes a drop in class after being well beaten by Rocky Creek and Gullinbursti in a Grade 2 contest at Doncaster. Previously, he'd stayed on well to land the odds at Exeter over 19 furlongs and should be capable of delivering a competitive effort at this trip. However, BROUGH ACADEMY returned from a decent break to score at this track and remains open to significant improvement after just the two hurdle runs. He is narrowly preferred. Oscar Davy, not seen since early November, looks just the sort to progress on better ground and appears the other leading player.

**Top Tip:** BROUGH ACADEMY
