ATR VERDICT: A cracking novice chase with all five housing claims. However, Chariot Charger was slightly disappointing behind Michael Flips latest, Definite Dawn hails from a yard struggling for a winner at present and Sir Du Bearn defeated nothing of note when scoring here last time. Trenchant has taken well to fences and stayed on strongly to score last time at Lingfield but may just lack the class of CUCUMBER RUN. The latter is clearly suited by two and a half miles or more and travelled better the further he went at Wetherby last time. He can follow up over this slightly longer trip.

Top Tip: CUCUMBER RUN

Watch out for: TRENCHANT
