**ATR VERDICT:** It was back in 2009 that BARBERS SHOP finished third in the King George won by Kauto Star and he landed his first success under Rules since December 2008 when easily landing a Fakenham hunter chase earlier this month. This is tougher for the Royal runner but he will be hard to beat at this level if retaining a reasonable proportion of his previous ability. Former decent hurdler Hills Of Aran is progressing fairly well in these contests and looks the main danger to the selection about whom there remains a stamina query. Palypso De Creek looks next best.

**Top Tip:** BARBERS SHOP

**Watch out for:** HILLS OF ARAN
