**ATR VERDICT:** SPIRIT D'ARMOR created a good impression when landing his first hurdling success at Huntingdon last month, travelling and jumping well before staying on strongly. He's been raised 10lb for that victory but looks just the sort of progressive type with which Venetia Williams excels. He can defy top-weight at the main expense of Bold Adventure. Willie Musson's campaigner enjoys his all-weather jaunts and looks interesting here off a tempting mark after just the three career starts over timber. Dormouse looks the each-way shout with Sircozy and the enigmatic Mickmacmagoole also of interest.

**Top Tip:** SPIRIT D'ARMOR  
**Watch out for:** BOLD ADVENTURE
