**ATR VERDICT:** UTOPIAN hasn't been seen since outpointing Ut De Sivola last May at Vichy and now has his first run since joining Nick Gifford. He has obvious claims if that form is taken literally in view of the runner-up's subsequent performances since joining Willie Mullins, although his layoff is clearly a concern. Nicky Henderson's excellence in such contests is there for all to see and Two Oscars should progress from a solid, if unspectacular, Hereford debut. Anthony Honeyball has his string in fine heart and market support for his Flemensfirth newcomer Royal Announcement should be taken very seriously.

**Top Tip:** UTOPIAN

**Watch out for:** TWO OSCARS
