ATR VERDICT: SIMON GRAY is taken to make a winning debut over hurdles. He has clearly had plenty of problems since winning his last three Flat starts for Richard Hannon in the summer of 2009, but has joined top NH owner J P McManus and is sure to have been well schooled. Moyalliff is entitled to have learnt a great deal from the fifth on his hurdling debut at Cork last month and warrants plenty of respect, while point-to-point scorer Knocksquire is another worthy of consideration.

Top Tip: SIMON GRAY
Watch out for: MOYALIFF
