ATR VERDICT:

Neil King brings just one horse, THE RED LAIRD, on the 400-mile round trip from his Newmarket base and this offspring of Kayf Tara can pay for the petrol money. The selection made a pleasing reappearance when runner-up over this trip at Plumpton 29 days ago and he is entitled to strip fitter for that first start since February last year. Realmont sports first-time cheekpieces on his handicap debut and must be respected, while Carmela Maria won on both visits here in December.
