ATR VERDICT: RIGID was mightily impressive when winning an apprentices' race under George Downing over this C&D recently and, 7lb better off tonight, he could take some stopping in his bid to follow up. Querido got within half-a-length of winning off this mark over track and trip last week and ought to play a leading role if reproducing that level of performance, while Esytopolishadimond is an interesting raider from across the Irish Sea and certainly showed enough when third at Dundalk last time to suggest that he can get involved.

Top Tip: RIGID

Watch out for: QUERIDO
