ATR VERDICT: The first-time blinkers may bring about an improvement in Bengaline but FIRST BID is preferred for James Given. The son of Kyllachy continues to show his best form, albeit in defeat, and this drop into claiming company is taken to bring about a return to winning ways. He may also receive a timely form boost from Samasana in the opener on this card but keep a close eye on the C&D winners Flying Pockets and Point At Issue.

Top Tip: FIRST BID
Watch out for: FLYING PICKETS
