**ATR VERDICT:** POCKETFULLAPENNIES remains very lightly raced after just six starts and, having displayed marked improvement when runner-up at Clonmel on just his second over fences latest, he looks the one to be on. He thrived in conditions he looks set to encounter here that day and should see out this 3m trip having stayed on with purpose latest. Big Game Hunter is expected to be popular and should be shortlisted, along with Next Week.

**Top Tip:** POCKETFULLAPENNIES
