Long Handicap: My Faithful Annie 9 - 9

ATR VERDICT: WATERGATE, a 2m winner at Folkestone in January, is holding his form well at present and showed this longer trip holds no fears with a creditable Lingfield second when last sighted. Racing off the same mark today, compensation could be in the offing for Richard Rowe's representative. Roc De Guye remains only 3lb above his last winning mark and looks the main danger, with January C&D winner My Faithful Annie racing from 5lb out of the handicap proper.

Top Tip: WATERGATE
Watch out for: ROC DE GUYE
