**ATR VERDICT:** Lataradud sets the form standard based on his Kempton fourth last time but is tasked with conceding weight all around here, penalised for his Worcester victory in May. This stiffer trip boosts the claims of Houseparty, who shaped with promise over 1m6f at Newcastle in December, but, after posting a poor effort at Newbury thereafter, marginal preference is for newcomer DESERT ROBE, who represents an in-form stable that is capable of readying a newcomer.

**Top Tip:** DESERT ROBE  
**Watch out for:** LATARADUD
