ATR VERDICT: HIDDEN FUTURE looks the one to beat in the opener despite having placed on all four of his starts over timber in maiden company. Many would question his ability to go through with his races but the Irish raider may appreciate a change in scenery and form behind Willie Mullins' Terminal looks strong enough. Elsewhere, the 118-rated Eurohunter is feared most on his return to novice company, with White Fusion another taken to make the frame.

Top Tip: HIDDEN FUTURE
