ATR VERDICT: Hard to get a strong grasp on this given all of the runners make their NH debuts with point-to-point form in the bank. The market is sure to provide a valuable insight into what is expected of many but Gigginstown Stud wasted little time in snapping up TORN ASUNDER following his impressive point-to-point victory at Bennettsbridge last month and Gordon Elliott will be expecting big things from this impeccably-bred son of Presenting. Another with a debut success between the flags to his name is Buckers Bridge, who has his first run for Henry De Bromhead this afternoon, and he makes up the shortlist, along with Hatrick Harry and Saoirse Dun.

Top Tip: TORN ASUNDER

Watch out for: BUCKERS BRIDGE
