ATR VERDICT: LIVE DANGEROUSLY has been raised 6lb for his second successive C&D success, but has scored from a 1lb higher mark in the past and might be worth following in his hat-trick bid. The main danger appears to be Zaeem, who carries a double penalty after making it two from two for new connections at Lingfield. Jersey Brown continued her good run of form when touched off at Bath and is respected, and the nine-year-old Jonnie Skull might be vulnerable to improvers at this stage in his career but shaped with promise when third at this track last week.
