ATR VERDICT: FROM FROST got going just too late when running on strongly into second over 2m6f at Cartmel having previously run out a cosy winner over this trip at Gowran Park. Reverting to 3m is clearly in his favour and he can get his head back in front for a yard in flying form. Duckweed wasn't beaten far by the selection 17 days ago and should push him close again, while Kilkishen and Ballychorus arrive in good form and merit the utmost respect.

Top Tip: FROM FROST

Watch out for: DUCKWEED
