ATR VERDICT: Alpha Des Obeaux was presumably some way short of full fitness when last of five on his seasonal/chasing debut at Tipperary earlier this month and he can improve plenty, but it might pay to side with the other Gigginstown runner PRINCE OF SCARS. 4lb higher than the former over hurdles and representing a Gordon Elliott stable going great guns, he certainly has the size and scope to make up into a high-class chaser and this is a good starting point. Sheamus has had his problems but is very good on a going day, while Goulane Chosen is rarely far from the mark.

Top Tip: PRINCE OF SCARS

Watch out for: ALPHA DES OBEAUX
