ATR VERDICT: Zig Zag has placed on his last four starts over hurdles and looks sure to be in the shake-up again, but he might be worth taking on with NH debutant MEGA FORTUNE. The Soldier Of Fortune gelding is the best of these on the Flat, earning a rating of 80 with efforts such as his runaway victory at Sligo in May, and has changed hands (from Andy Oliver to Gordon Elliott) since his latest outing 151 days ago. If taking to the obstacles, he should go very close. Hint Of Frost is another respected player while Masonbrook Lady needs to bounce back from a disappointing effort at Punchestown behind Zig Zag.

Top Tip: MEGA FORTUNE

Watch out for: ZIG ZAG
