ATR VERDICT: MEADOW CROSS has been a model of consistency in recent weeks for Denis Hogan and the four-year-old could make use of a tempting mark and claim her first victory over hurdles. The former Tim Easterby-trained filly shaped with promise earlier this month when third at Fairyhouse and a drop to 2m should play to her strengths. Summer Storm has been amongst the places in two competitive handicaps recently and should be involved once more for a trainer who has started the season well, while Coldstonesober could prove best of the remainder.

Top Tip: MEADOW CROSS
Watch out for: SUMMER STORM
