Jockey Colours: Emerald green, yellow stars, purple sleeves, yellow stars, purple cap, emerald green star

Timeform says: *Long time since his last win but mark starting to become attractive and more promise than the result the last twice. Handicapped to win when he finds his A-game.*★★★★☆ (Forecast 21.00)

Notes:

TIMEFORM VIEW: C&D winner CRICKLEWOOD GREEN left the impression that the handicapper might not have caught up with him just yet when shaping nicely at Kempton on Wednesday, so he's taken to get back to winning ways in the expectation that the run of the race will play to the strengths of his patient style. The lightly-raced Topology and resurgent Evening Attire are his main dangers.
