ATR VERDICT: KRAZY PAVING landed minor money in a handicap over track and trip last month and is expected to show up well once again from a workable draw. Captain K appears to have plenty to find with the selection on official ratings but it is interesting that he's been kept in training through a long absence after showing absolutely nothing in four starts previously. He is fitted with first-time cheekpieces on his return from a 544-day break and is worth a market check, likewise Rouge Noir, who may improve in first-time cheekpieces.

Top Tip: KRAZY PAVING
Watch out for: CAPTAIN K
