ATR VERDICT: ANNEANI went down by a neck over track and trip last time out and rates the one to beat now turned out off an unchanged mark. Wasseem returned to form when third over 1m at Brighton last time and commands plenty of respect off 2lb lower now granted this extra yardage. The main danger, however, is African Trader, who is handicapped on his form over 6f to 7f and could take a big forward step now upped in trip on his handicap bow.

Top Tip: ANNEANI

Watch out for: AFRICAN TRADER
