ATR VERDICT: PRETEND won the 2015 All-Weather Sprint Final and is one of the classiest operators in the sprint division in this sphere on his day. He's returning from a break here and has needed a run in the past, but unless the market vibes are negative he's the class act and they one they all have to beat. Spring Loaded continues to improve and is the one expected to put up most resistance, while Related is a potential pace angle and could feasibly surprise a few.

Top Tip: PRETEND

Watch out for: SPRING LOADED
