ATR VERDICT: Bobo Mac made a promising first start for Tom Symonds at Ludlow last month, finishing second in a competitive contest behind a potentially smart winner. Potters Approach has been thought capable of better by Warren Greatrex but needs to show something after a laboured performance last time out. He is likely to do much better now but GIBBES BAY has less to prove for now and the five-year-old should find this assignment easier than at Hereford last time. Connections had a nice winner in a consolation race at Kempton on Saturday and Paul Nicholls' charge remains in decent form despite firing in just one Cheltenham winner last week.

Top Tip: GIBBES BAY

Watch out for: POTTERS APPROACH
