**ATR VERDICT:** FIERY SPICE has landed his last three races with relative ease and he looks tough to oppose once more after proving himself on this type of surface in two of those victories. He was hanging left late on last time and needs to prove that won't be a future issue, but he should have too much class for this bunch despite a 6lb rise. Fresh could be the best time to catch Camargue, while first-time blinkers and the booking of Silvestre De Sousa should spark improvement from Erissimus Maximus.

**Top Tip:** FIERY SPICE

**Watch out for:** CAMARGUE
