ATR VERDICT: Miss Oscarose was not disgraced at Leicester two starts ago but failed to fire when sent off favourite at Huntingdon last time. She has also struggled to see out her races when upped to this sort of trip in the past so FLUGZEUG gets the vote. The grey has hardly set the world alight in recent starts over hurdles and fences of late, but three of his four career wins have come at this track and he could not have been found a weaker race to contest.

Top Tip: FLUGZEUG
