ATR VERDICT: MOST CELEBRATED won as he pleased at Wetherby in January and has held his form well since, finding just one too good on his most recent pair of starts at Newbury. A similar effort here could see him back in the winner's enclosure, possibly at the chief expense of East Indies, who opened his account at this track and has kept decent company since. Masterson has picked up a pair of staying victories at Chelmsford since his first forays over timber and completes the shortlist.

Top Tip: MOST CELEBRATED

Watch out for: EAST INDIES
