ATR VERDICT: LISTEN TO THE MAN has to concede weight to her two rivals as she is penalised for win from the front at Wincanton when last sighted. However, a small field provides the Dan Skelton representative with an ideal tactical scenario to repeat the dose and she's preferred to the dropped-in-trip Braventara, who fell at Doncaster latest, and Canoodle, who is turned out quickly after finishing second at Kempton on Tuesday.

Top Tip: LISTEN TO THE MAN

Watch out for: CANOODLE
