ATR VERDICT: Arbourfield seldom runs a bad race at this venue and would go close once again with a repeat of his recent third here, while Cresendo arrives after a break and looks to be another progressive handicapper for the Jim Bolger team. Shabra Emperor is another who knows his way around this venue and probably sets the form standard, though four-year-old SHELBE might be open to more improvement. The selection beat a decent yardstick here last week and won't mind going back up to seven furlongs.

Top Tip: SHELBE
Watch out for: CRESENDO
