**ATR VERDICT:** QUEEN ANNE'S LACE beat Bound in a Gowran Park maiden last September and the daughter of Lonhro has not been disgraced in three subsequent starts. The most recent of those events came when she finished fourth in a Naas Listed race last month and she is entitled to improve for the run today. Butterflies finished in front of the selection when they met at Leopardstown late last year but she lacks a recent run. The likes of Angel Island and Bengala won their respective debuts in recent weeks and they should only improve for that experience.

**Top Tip:** QUEEN ANNE'S LACE

**Watch out for:** BOUND
