ATR VERDICT: TOP MISSION has been hitting the frame since returning to the course this season, and despite letting down favourite backers both times, the Godolphin son of Dubawi looks primed to strike now with plenty of match practice under his belt and with cheekpieces applied. Buxted Dream is another who failed to justify favouritism last time but may be worth a second chance and looks the main danger, while Peach Melba should be much sharper following her narrow defeat at Carlisle.

Top Tip: TOP MISSION

Watch out for: BUXTED DREAM
