Long Handicap: Fort Gabriel 9 - 13

ATR VERDICT: Nigel Hawke's Calin Du Brizais comes here on a hat-trick bid but has a much tougher task on his plate this time having been hit with an 11lb rise from the assessor. Schindler's Prince scored over track and trip last time and is sure to be popular along with the Donald McCain improver Valleyofmilan. However, it may be best to side with the Jonjo O'Neill pair who look to have solid claims. Bronco Billy is respected off the same mark as his latest victory but LOST LEGEND had been threatening to return to form if you can forgive his latest effort, and with his claiming jockey's 5lb allowance added into the equation, is 27lb lower than when last winning mark.

Top Tip: LOST LEGEND

Watch out for: BRONCO BILLY
