ATR VERDICT: SLIM PICKENS has backed up his comfortable selling hurdle success with three solid placed efforts in handicap company at this venue and, although he continues to creep up the ratings, another bold bid looks assured. A recent victory on the Flat at Bath will have left Rolling Maul brimming with confidence and the past C&D scorer warrants plenty of respect on his return to NH duty, while the unexposed Buckle Street cannot be ruled out either.

Top Tip: SLIM PICKENS
