ATR VERDICT: The 116-rated TAWS rates the one to beat on these terms and appears to have been found an ideal opening to break her hurdles duck at the sixth attempt. She is entitled to come on for her latest run, which was her first since April and first since rejoining this stable, so is expected to take a forward step this evening. Recent Southwell second Fit The Brief is feared most, while Moontripper is no forlorn hope for a place.
