**ATR VERDICT:** A tricky race to close the card but the marginal preference is for SEPRANI, who went close in a couple of 7f handicaps here earlier in the year. She was far from disgraced when third at Brighton last month, given the four-month break, and the daughter of Sepoy has already proven that she can be competitive off this mark. Zavikon will be a big danger if transferring her recent turf improvement to the all-weather. Those looking for each-way alternatives should consider Kings Heart and Billy's Boots.

**Top Tip:** SEPRANI

**Watch out for:** ZAVIKON
