ATR VERDICT: Following a good second in a valuable seller at York, THE LOVE DOCTOR was only reeled in late on by a class-dropper over this trip on good to soft at Pontefract earlier this month and finished well clear of the remainder. Off the same mark and with a first-time visor applied, he is taken to go one better at the main expense of Miss Mo Brown Bear. The latter produced a consistent level of form in her three maidens and seemed to run up to her mark of 71 when a half-length third in a similar nursery at Doncaster a week ago. Fast ground winners Branscombe and Alaska would have claims if conditions dry out.

Top Tip: THE LOVE DOCTOR

Watch out for: ALASKA
