ATR VERDICT: Despite shouldering top weight the one that stands out is MIRZA, who will have no problem handling any cut in the ground. The veteran only found the top-class Battaash too good in a Group 3 at Sandown last time out and that followed a good fifth-placed finish in the Scottish Sprint Cup on his seasonal return. Pipers Note has to be respected following his C&D run last time out but he was only a short head in front of Lexington Abbey on that occasion and the latter is 1lb better off with that rival today. Green Door is another who warrants a place on the shortlist for this contest.

Top Tip: MIRZA (1)

Watch out for: LEXINGTON ABBEY (8)
