**ATR VERDICT:** Laraaib will be popular after retaining his unbeaten record in competitive Ascot handicap company last month. He looks well capable of handling the ascent into Group class but may not represent much in the way of value. Frankuus has been running with credit in a series of quality contests and should contend again, while Francis Of Assisi is of interest on his first run since his successful Australian adventures last year. However, AUTOCRATIC landed the Brigadier Gerard Stakes in style back in late spring and is just the sort with which his master trainer excels. Further progression is anticipated on this return to action.

**Top Tip:** AUTOCRATIC (1)

**Watch out for:** FRANKUUS (11)
